#### 5.7 International Team Competition

5.7.1 (amended) Acura Key West 2008 will feature an International Team Competition. The competition will be based upon cumulative scoring of national/regional teams composed of three boats competing in three separate classes, provided there are sufficient entries in each class. The participating classes will be selected from the Farr 40, Melges 32 and Melges 24 classes. Each country/region may enter as many as three teams of boats. Teams may be nominated from geographically recognized regions such as Europe or the Pacific Rim when there are not sufficient boats from a single country represented to constitute a three-boat team. Team nominations should be received in writing no later than December 15, 2007. Team applications are available by calling Premiere Racing or on the event web site.

*Clarification: Based upon the mix of international entries, the Melges 32 class will participate and the IRC boats will not, The 3-boat teams will now be composed of a Farr 40, Melges 32 and Melges 24.*
