STATE ROAD LANE CLOSURES

Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

Motorists are encouraged to call 511 before they drive or log on to www.511southflorida.com to get real-time traffic and lane closure information.

Monroe County

Please note that these schedules are tentative and could be impacted by bad weather or other unforeseen circumstances.

SR 5/US 1 (Overseas Highway)

State Road 5 (US 1/Overseas Highway)

Both northbound and southbound lanes of traffic are in their final configuration on the new bridge. Businesses on both sides of Jewfish Creek can be accessed by ramps on either side of the bridge.

There will be a lane closure with alternate flagging January 12, 2009 through January 15, 2009 from 8:00 pm until 5:00 am, at the US 1 / Card Sound Road intersection at MM 126.

The passing zone from approximately MM 121 to 123 is now limited to one lane in each direction.

Watch for truck traffic and shoulder work throughout the construction zone. The speed limit is 45 mph northbound from MM 106 to MM 108 and 45 mph southbound from MM 108 to 106 and 55 mph for north and southbound traffic from approximately MM 108 to MM 116 and 45 mph from MM 116 to MM 126.
