

**TRUMAN ANNEX NAVY BASIN & WATERFRONT PROPERTY
DOCK SPACE APPLICATION**

*** LAUDERDALE TO KEY WEST RACE PARTICIPANTS**

* This application is meant for participants in the 'Lauderdale – Key West Race' who are unable to make dockage arrangements at the regular marinas in Key West. Premiere Racing has again obtained access to the Truman Annex Navy Basin and Waterfront Property (TAP) for Key West 2010 through a special arrangement with the City of Key West and the Navy. Transient slips are at a premium in Key West and this temporary arrangement provides a viable option for boats.

However, it is not a private marina and there are limitations associated with this facility. It lacks some of the amenities one might be accustomed to at a private marina: there are rules and regulations unique to a Navy and city owned facility (see the waiver on the reverse side); sleeping on boats is NOT permitted, there are no conventional slips; boats will be tied up to the inner seawall only. The TAP staff will determine where boats may tie up. After finishing the race, boats should proceed to the Eastern Seawall (as you enter the basin, the seawall directly in front of you) and moor there until directed otherwise. Rafting is a distinct possibility, depending on available space. There can be some surge due to proximity to the main ship channel and when it blows hard from the Northeast certain sections of the basin experience chop and you should be prepared with adequate fenders/a fender board/appropriate dock lines. Key West Race Week entries will have priority beginning on Saturday, Jan 16.

The facility is available for Lauderdale - Key West boats from Wednesday, Jan 13 - Saturday, Jan 16, 2010.

ADVANCE REGISTRATION IS MANDATORY

The Application Deadline is December 31, 2009. A late fee will apply after that. No applications will be accepted on site.
