

# Key West 2010, presented by Nautica

## Marinas and Preliminary Racing Areas

There will be three separate racing areas, one for each Division. As entries and class splits are not known this far in advance, it is not possible to assign definitive racing areas in advance for all PHRF, IRC and One Design boats. It is our intention to post the preliminary class assignments on or about September 30, 2009. In the interim, if you have questions or concerns on Division assignments, please feel free to call or email us.
