### IRC Certificate Discounts

The RORC Rating Office are pleased to announce that 2009 IRC certificates issued after 30th September 2009 will be charged at only 50% of the standard rate.

This discount will apply to both new applications and to revalidated certificates from previous years, but only to certificates which will expire on 31st December 2009.

This offer is timed to coincide with the start of major Autumn Series in the Northern hemisphere. Certificates issued under this scheme will still expire on 31st December 2009 and will be subject to the standard 2010 fees for revalidation in 2010.

GBR owners wishing to take advantage of this offer should contact the RORC Rating Office direct at [info@rorcrating.com](mailto:info@rorcrating.com). Other owners should contact their local IRC Rule Authority.

Owners are encouraged to submit their applications under this offer as soon as possible. Do NOT wait until October; we will process applications received but not actually issue certificates until 1st October.

We hope that this offer will encourage owners who have not raced this year to take the opportunity to get afloat.
