

**TRUMAN ANNEX NAVY BASIN & WATERFRONT PROPERTY
DOCK SPACE / DRY SAILING APPLICATION**

Premiere Racing has again obtained access to the Truman Annex Navy Basin and Waterfront Property (TAP) for Quantum Key West 2012. Transient slips are at a premium in Key West and this temporary arrangement provides a viable option for boats.

Many Race Week boats utilized the TAP last year. However, it is not a private marina and there are limitations associated with this facility. It lacks some of the amenities one might be accustomed to at a private marina: there are rules and regulations unique to a Navy and city owned facility (see the waiver on the reverse side); there are no slips; boats will be moored to the inner seawalls; sleeping on boats is not permitted. There can be some surge due to proximity to the main ship channel and when it blows hard from the Northeast certain sections of the basin experience chop. That said, there are some unique advantages with this facility: price point, location, and Key West experiences only a 14" tide.

The facility is available for Race Week boats from Tuesday, January 3 through Sunday, January 22, 2012.

ADVANCE REGISTRATION IS MANDATORY

The Application Deadline is December 30, 2011 - A late fee will apply after that. No applications will be accepted on site.
