

**2010 Miami Grand Prix**  
March 4 – 7, 2010

**Media Advisory – Schedule – Registration**

February 2010

Dear Media Representative:

The 2010 Miami Grand Prix is another Premiere Racing event and a major event on the international racing calendar. Sailors from across the country and around the world have begun their preparations for the regatta. Re-matches and second chances will be the orders of the day when the 2009 and recent Key West 2010 class champions defend their titles in March.

Farr 40s, Melges 32s and IRC boats will race in the ocean waters off beautiful Miami Beach.

Whether you will be on site, or are covering the event from your home base, we hope you will register in advance and update our records. You may register by simply emailing me or by completing and returning the attached form.

We will be posting daily results on the web and emailing press releases each night summarizing the day's racing. Press releases, complete results and photos will be posted on [www.Premiere-Racing.com](http://www.Premiere-Racing.com)

Royalty-free, high-resolution photos suitable for print reproduction will be available following the event accredited publications. Please let me know in advance if you will require any.

On the next page is a one-page summary of information to help you plan your coverage.

Finally, we ask for your clippings and web site links. As you know, media coverage greatly enhances the exposure and the value of the event for participants, sponsors, and all interested parties. Premiere Racing would very much appreciate your including us in your distribution – whether it is in print or in cyberspace. Any photograph or mention of the Miami Grand Prix is of great interest to us. Thank you in advance for sending us either the actual publications or notification for our follow-up.
