

2008 Acura Miami Grand Prix
Dockspace Application at Miami Beach Marina Floats
MELGES 32/Small IRC
www.premiere-racing.com

Miami Beach Marina (MBM) is a state of the art marina that is the closest marina to the ocean courses, located just inside Government Cut. Because of a significant reduction in transient slips and dockspace, Premiere Racing will take over 'management' of the floating docks during racing in order to maximize the number of race boats and RC boats rafted there. Best efforts will be made to raft as many Melges 32/small IRC boats as possible on the floats. The floating docks will be available from Wednesday, March 5 through Sunday, March 9. You are encouraged to get your application to Premiere Racing as soon as possible - first come / first served. Please contact us with any questions you might have. **If you need to arrive earlier than Wednesday, March 5 or stay later than Sunday, March 9, those arrangements will need to be made directly with the Miami Beach Marina (305-673-6000).**
